42.19: *It is also a special honour, a privilege and pleasure to fight God's war. The question of the minarets is not a question of tolerance. The question of the minarets is a question of the future of Switzerland. Will Switzerland have the cross on its flag or will just adopt the Turkish flag? (...)*

45.54 *Islam calls itself the religion of the sword. And Islam is coming. And the sword is coming.*

54.20 Die eigentlich Israel gut gesinnte Türkei werde seit einiger Zeit von den Saudis reislamisiert. Diese hätten alle grossen Nahrungsmittelfirmen aufgekauft, und würden nun durch die an Loyalität gekoppelte Fürsorge auf arme Leute Einfluss nehmen. Wer in die Moschee gehe, kriege Geld. Die Saudis bauten nicht nur in der Türkei Moschen. Sondern auch in anderen europäischen Ländern. Auch darum seien Minarette eine Gefahr...

Er sieht die Türkei als „Armageddon“. Die Türken würden immer radikaler. Und: Die Türkei wolle in die EU. Heute stünden in der EU 300 Mio. Christen 50 Mio. Muslime gegenüber. Wenn die Türkei beitreten sollte, würden es automatisch 300 Mio. Christen vs. 320 Mio. Muslime. Dies sei der Plan. Denn, wenn man ein Türke aus Kasachstan sei, habe man Anspruch auf den türkischen Pass. Dito, wenn man türkischstämmiger Russe sei. Dies ergebe eine automatische Mehrheit für die Muslime in Europa. Und das hiesse (59.29): *Goodby Christian Europe, unless Europe wakes up. As Swiss people you think as very independent, isolated people and you look at the mosques as just neighbours around you. But this is wrong. You have to look at the big picture.*

Bezugnehmend auf DVD's, die er auf der Veranstaltung zum Verkauf anbietet:

1:01.18: *I show in this teaching that Allah, the God of Islam is not the same as the God of the Jews and the Christians. Because our God loves every Jew, every Christian and every human being in the world. And Allah hates the Jews and wants them dead on Saturday and Allah hates the Christians and wants them dead on Sunday. And the Hindus and the Buddhists and the Blacks any day and the when any one else is dead, the Muslims kill each other. And so this kind of a God, Allah, the Moongod is the devil, Satan himself.*

Do you know what you get if you allow minarets? The Muezzin goes up to the top of the minarets with loudspeakers and he yells out 'Allahu Akbar, Allahu Akbar'. And the

media tells you that what they are saying is: God is great. And this is a lie. Because 'Akbar' means greater. Allah is greater than the God of the Jews and the Christians. Our God is the God of Abraham, Isaac and Jacob. The God of Islam is the God of Ismael, the Moongod, the Wargod and the Swordgod. So Allah is greater than God. If you are a Christian you know the answer. Who said, he was greater than God before his fall? It was Satan, Lucifer, the devil. Do you want minarets in Switzerland that evoke the yelling that Satan is greater than God? You know there is also something in English called noise pollution. (...)

Es folgte eine Geschichte aus Jerusalem, wo Araber angeblich eine Moschee in ein friedliches Quartier bauten, dann überall Lautsprecher anbrachten, sodass das Leben für die Juden unerträglich wurde....Dito in Detroit, wo angeblich alle Christen zum Wegzug aus einem Quartier getrieben worden seien wegen Beschallung durch Gebetsrufe. So schufen Muslime Ghettos, die nicht einmal mehr von der Polizei oder der Feuerwehr betreten werden könnten. Sollten sie es doch wagen, würden sie von den Muslimen umgebracht. (1:07.40)

This is America. How different is Switzerland from America? You have to understand, the minaret is part of the plan of conquest of Switzerland. The Turks today, the Islamic [...unverständlich] is marching to victory. And the Christians are sleeping.

1:10.38: *I was here in 2003. In the "Vortrag" of EDU, PRO-ISRAEL. And Rachel my wife had heard an interesting broadcast. The mufti of Jerusalem, Akram Sa'id Sabri, he was preaching in the Temple Mount, and he was saying kill the Jews, kill the Christians. Kill the Israelis, kill the Americans. Kill the monkeys and kill the pigs. And ahh, I was here in Switzerland. And I was teaching the Qur'an. You know I love to teach the Qur'an. You have to read the book of the enemy to understand the plan. And it says in chapter 5, verse 60: Allah curses those who betrayed him and he converted them to monkey and pigs. Do you know who the monkey and pigs are? The Jews and the Christians. You see, because we are the people of the book. And our great sin was that we did not accept Muhummad is the latest and greatest of the prophets. Grater than Moses, Muhammad is greater than Moses and is greater than Jesus Christ. So because we did not accept him, Allah converted us into monkeys and pigs.*

Es folgt ein Exkurs zu Hitler, der Psychotiker gewesen sei, da er nicht nur wie ein Neurotiker Luftschlösser baute, sondern sie bewohnte. Bedingung, um Juden zu Vernichten sei, dass man zuerst die Weltherrschaft anstrebe. Daran sei u.a. auch Hitler gescheitert.

1:23.14: *So anyone who thinks he can kill all the Jews is crazy. Because if one can't conquer the world, he can't kill the Jews. Then, what about Islam's bid? Psychosis number one, is to conquer the world. Psychosis number two, is to kill all the Jews on Saturday, Psychosis number they are going to kill all the Christians on Sunday. You see that Hitler had no plan to kill the Christians. Kill all the Hindus, kill all the Buddhists that is psychosis four and five that one sixth of the world can kill five sixth of the world. And then when the Muslims finished killing everyone else, they kill each other. So Islam is not a religion at all, Islam is a psychosis. The minarets have one purpose and that is to conquer Switzerland. Why is it that the Jews and the Christians go to pray silent? If the Muslims want to pray in the mosque, so we have democracy, tolerance but they don't need to have loudspeakers. Now of course in the Qur'an in*

chapter 5, verse 51: It says: Believers, Muslims do not take the Jews or the Christians as your friends. The Jews and the Christians are friends with one another; who ever befriend them will become one of them. Allah does not guide the wrongdoers. So I've a question for you: If their holy book tells them not to be your friend? So if [...unverständlich] what are they?

1:26.13: I'd say also something else. How many churches are there in Saudi Arabia? You know, the Americans have made an agreement with the Saudis. A mosque in Washington D.C., in the Massachusetts Avenue and of course the Christians were supposed to [build] a church in Saudi Arabia. There is not one church in Saudi Arabia. When they have churches in Saudi Arabia, let them have mosques in Switzerland too. And they want minarets too. And they want to have their Muezzin yelling 'Allahu Akbar'. And then next they will ask for Shari'a law. And by the way the law of Shari'a [nods]? Let me give an example of Shari'a law: Qur'an chapter 4, verse 34: Allah gave authority to men over women. Because he created men superior to women. Good women are obedient. If you fear disobedience in your women, admonish them, send them to beds apart, send them to other beds and beat them. That is Shari'a law. If you kill your women because they were disobedient, this is ok. And if you marry nine year old girls. And you can have four wives. And if you are tired of one of them, you divorce her: 'mutallq, mutallq, mutallaq' and she is divorced. Then you take another four. Is that Switzerland? Is that western civilisation and democracy?

Wenn Präsident Obama mit seiner Amtszeit fertig sei, solle Sarah Palin die Präsidentschaft übernehmen. Sie sei eine Frau, die klar denken könne, Frauenrechte verteidige und vor allem sei sie eine evangelikale Christin. Zudem müsse sie sich nicht von den Saudis kaufen lassen, sie habe genug Öl in Alaska.

1:30.23: You know there is a teaching in the Qur'an, ahh, it says, in, in, not in Qur'an in the Hadith. It says on the day of judgement there will be a final battle with the Jews. And ahh, that, that every Jew on the earth will be killed by the Muslims. And there will be some Jews who temporarily escape. They will hide behind rocks and threes and Allah will give mouth to the rocks and threes. And the rocks and the threes will call out: Muslim pursuers, there is a Jew hiding behind me, come and kill him. Is that the God of Abraham, Isaac and Jacob? Or is that the devil?

Now you know, you Christians should know, that you are Jews. In the eyes of Islam Jews and Christians are one people. We are, we together are, the people of the book. That's why we're creating a political party of the book. A fifty-fifty partnership Jew and Christian in Jerusalem. Did you know that Jesus Christ is a Muslim? In the Islam, in the Hadith, it says Jesus Christ is an Arabic speaking worrier, he is, got dressed in black, you know like a Ninja have it, with a black horse and he is coming to kill the antichrist and the antichrist is a Jew. And after he kills the antichrist, he goes to Jerusalem, he prays with 400'000 Muslims on the Temple Mount. Then after they prayed they break the crosses, they destroy the churches of the Christians, they destroy the synagogues of the Jews. And then on that day of judgement, all the Jews and Christians who have not converted to Islam, will have their throats slit by Jesus Christ, the Muslim. Is it the same Jesus of Nazareth that we all know and love? But you know, the Muslims, this is the Jesus, they say we believe in Jesus, but it's not the same Jesus. And they say, they believe in God. But it's not the same God. And they believe in the Qu'ran. And that the Qur'an replaces the Bible. And their religion is a

religion of the sword. And our God hates the sword. Because the sword kills the children of Gods and human beings. And they say their religion is a religion of peace. That Islam means peace. But their religion is a religion of war. And will not be over until they are stopped. Don't give them minarets. And be very careful how they treat their women and how they treat their children. If they are not your friends, in their book, it says not to be your friends, they are your enemies. Muslims are good people. You have to understand something. I used to hate all German people. But I now know that Germans are good people. The problem is not the German people, the problem is Nazism.

1:35.45: Exkurs.... Deutsche unter Kaiser Wilhelm im 1. Weltkrieg behandelten die Juden in Polen gut, verglichen mit den Russen. Aber 1939 seien es andere Deutsche gewesen. Doch die Alliierten hätten getan, was Jesus befohlen hatte: Man soll seine Feinde lieben und so bauten sie Deutschland wieder auf. Man schaue sich das heutige Deutschland an. Es sei nun demokratisch und ein enger Verbündeter Israels.

Japan kannte die Kamikaze. Dies sei nicht japanisch, es sei auch nicht islamisch! Vielmehr sei es eine Folge des Faschismus. Jedoch gelang es General MacArthur Japan wieder aufzubauen und es zu demokratisieren. Heute seien die Japaner, wie die Deutschen gute Menschen.

1:40.18: *So you understand, that to bless Germans you have to ban Nazism. To bless the Japanese you have to ban [unverständlich]-Fascism. To bless the Muslims, and the Muslims should be blessed, eventually you'll have to ban Islam. Because if you don't ban Islam, they will ban you. So the problem is not the people. I see the Muslims here in Switzerland and I love them. As individual human beings, they are good people. But their system is very similar to Nazism, Communism and that it is triumphalist and will not stop. And the minarets is just one example.*

Dann folgen zwei "Updates":

- 1.) Er sieht neue Auseinandersetzungen mit den Palästinensern auf Israel zukommen. Schuld daran sei Präsident Obamas Aussenpolitik. Er zwingt die Israelis auf Jerusalem, die Westbank und Gaza zu verzichten und drohe bei Nichteinlenken mit Sanktionen. Daher sei jetzt alles in den Händen der Christen. Sie müssten nun eng mit Israel zusammenstehen. Dazu ruft er auf, nach Israel zu reisen. Dies sei nicht nur eine touristische Reise, sondern ein Akt des Glaubens.
- 2.) Iran: Er könne nicht sagen, wann der Krieg gegen Iran stattfinde. Jedoch klar sei, dass der Krieg eine Notwendigkeit sei. Dabei referiert er erneut auf die Zusammenstösse im Rahmen der iranischen Präsidentschaftswahlen im Sommer. Es gäbe vier Gründe für einen Krieg gegen den Iran: 1.) Die Menschen des Irans seien zu befreien. Dies sei wie im Irak. Die Menschen dort hätten Saddam Hussein auch nicht ohne die Hilfe der Amerikaner beseitigen können. Heute seien die Iraker freie Menschen. Am Terrorismus im Irak seien die Saudis und Iraner. Und dennoch sei das Leben im Irak heute besser als früher. Die Menschen im Iran wollten befreit werden. 2.) Das Nuklearprojekt; 3.) Noch wichtiger seien das Öl und die Wirtschaft, denn die Weltwirtschaft könne sich nur verbessern, wenn es mehr Öl auf den Märkten gebe. Die Iraner hätten den Ölsektor im Land beschränkt, so dass volle Entwicklung bislang nicht eingetreten sei. So denke er, dass das Regime

ersetzt werden wird. 4.) Hauptgrund sei jedoch, der schon 1300 Jahre dauernde Krieg zwischen den Schiiten und den Sunniten. Heute habe der Iran einen Plan, die Golfstaaten anzugreifen. 1:46.33: *The Shi'a Islam is planning to destroy the Sunni Islam.* Ausserdem habe seine Frau eine saudische Sendung abgefangen, worin verlautet worden sei, dass die Saudis zunächst mit Obama zusammen die Iraner vernichten würden, dann Israel. Und das ganze soll in wenigen Monaten bereits beginnen:

1:47.20: *So my dear brothers and sisters we're talking about a few months from now. If Jerusalem is important to you, if the Holy Land is important for you and if the Messiah is important to you, you must mobilize to stand with Israel. And understand that there are great strong powers that are against Israel. I am going to countries all around the world to mobilize a Christian revival for Israel's survival. If the Christians stand with Israel, then God will give us the victory. I know God will give us the victory anyway. But you know the day will come that we will all come in front of the throne. And God will ask us, what did you do? Because faith without work is dead!*
